The Creator God is Here!

I can hear the Creator God
saying, 'I will rescue you
forever and ever and ever.'

I can see a young woman.
Her name is Mary.

I can hear a good spirit
of the Creator God
saying to Mary,

'You will have a son.

He is from the
Creator God's Spirit.

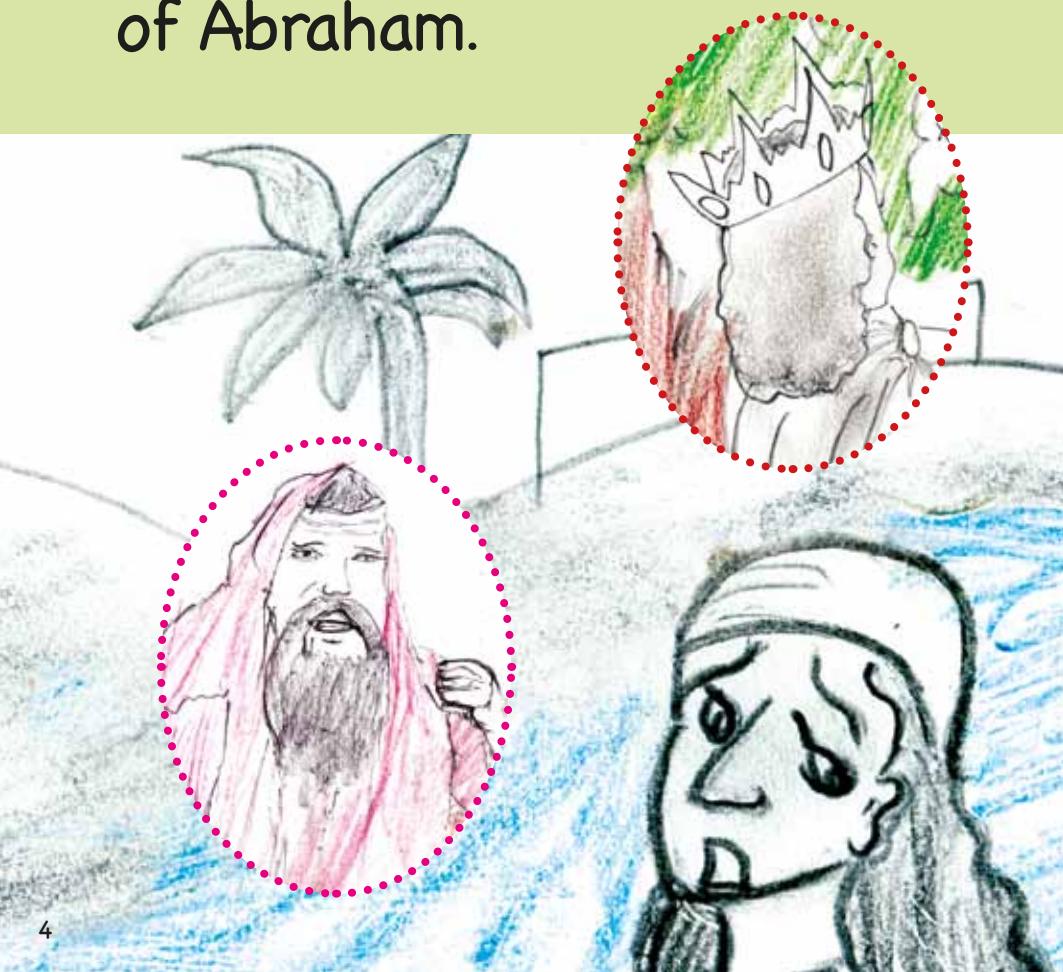

He is The One to rescue you
forever and ever and ever.'

I can see a young man.

His name is Joseph.

Joseph's ancestors are from
the tribe of King David.

King David is from the tribe
of Abraham.

I can hear the Creator God
saying to a good spirit,

'Go and tell Joseph that
Mary is to be his wife.

Mary will have a son.

He is from the
Creator God's Spirit.

He is The One to rescue you
forever and ever and ever.'

The Creator God is coming...

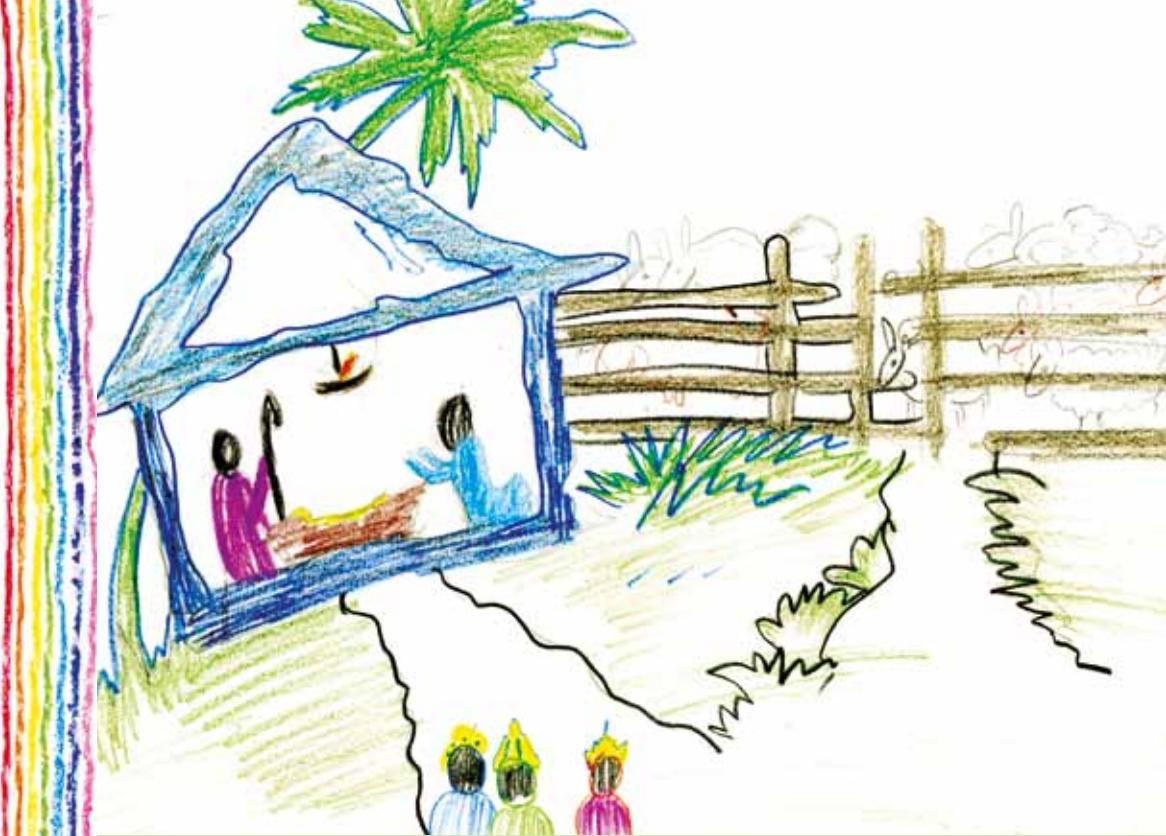

Time passed.

I can see the Creator God
creating a new star
in the night sky.

The new star is shining...
shining...shining.

I can see the wise men
looking...looking...looking...
up into the night sky.

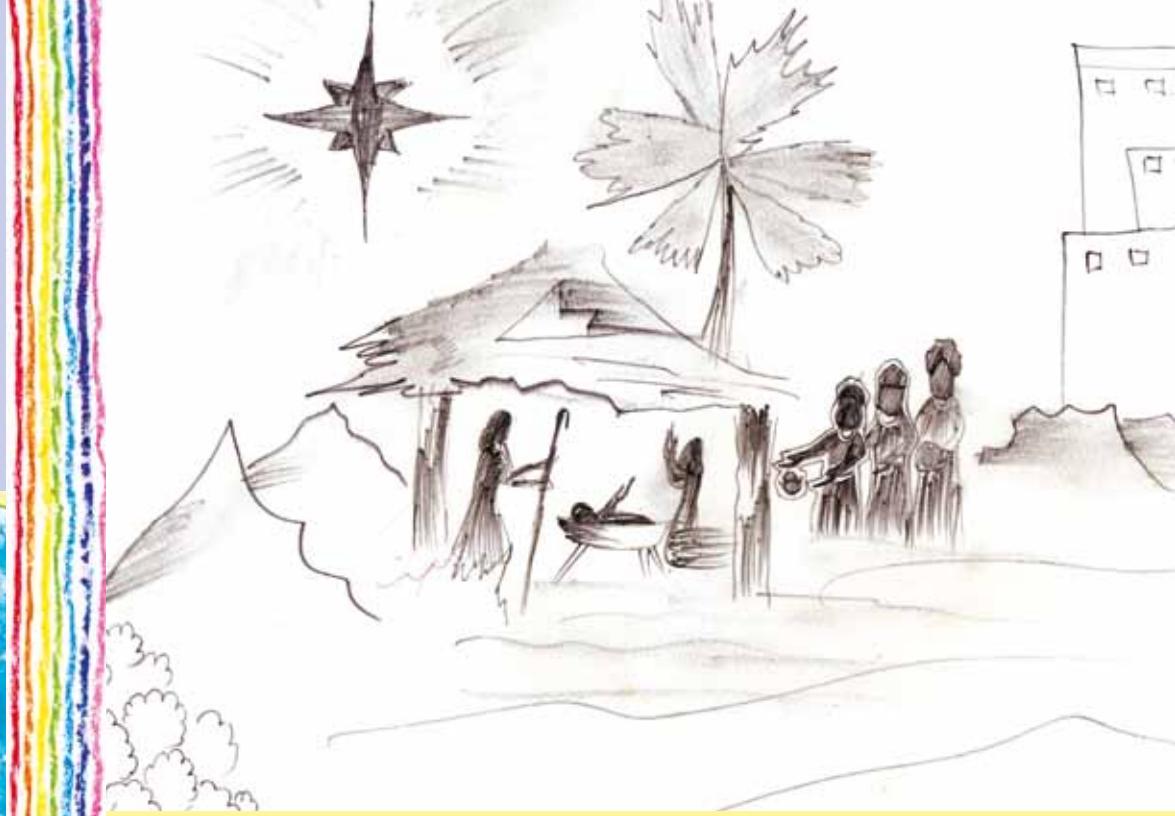

The new star is pointing...
pointing...pointing.

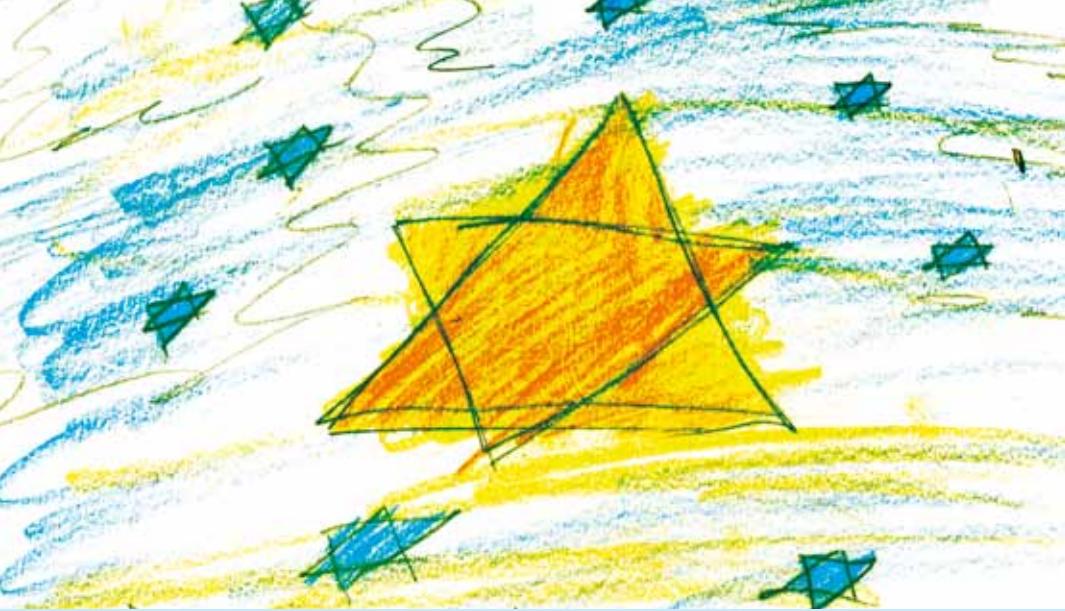

I can see the wise men
following the new star,
to a little town...
down a little path...
to a little shed.

I can see Joseph, his wife
Mary and a little baby boy.

I can hear the Creator God saying, 'This little baby boy is The One to rescue you forever and ever and ever.'

I can see the wise men singing to The One.
The Creator God has come
as a little baby boy
to rescue you forever
and ever and ever.
The Creator God is here!

That same night...

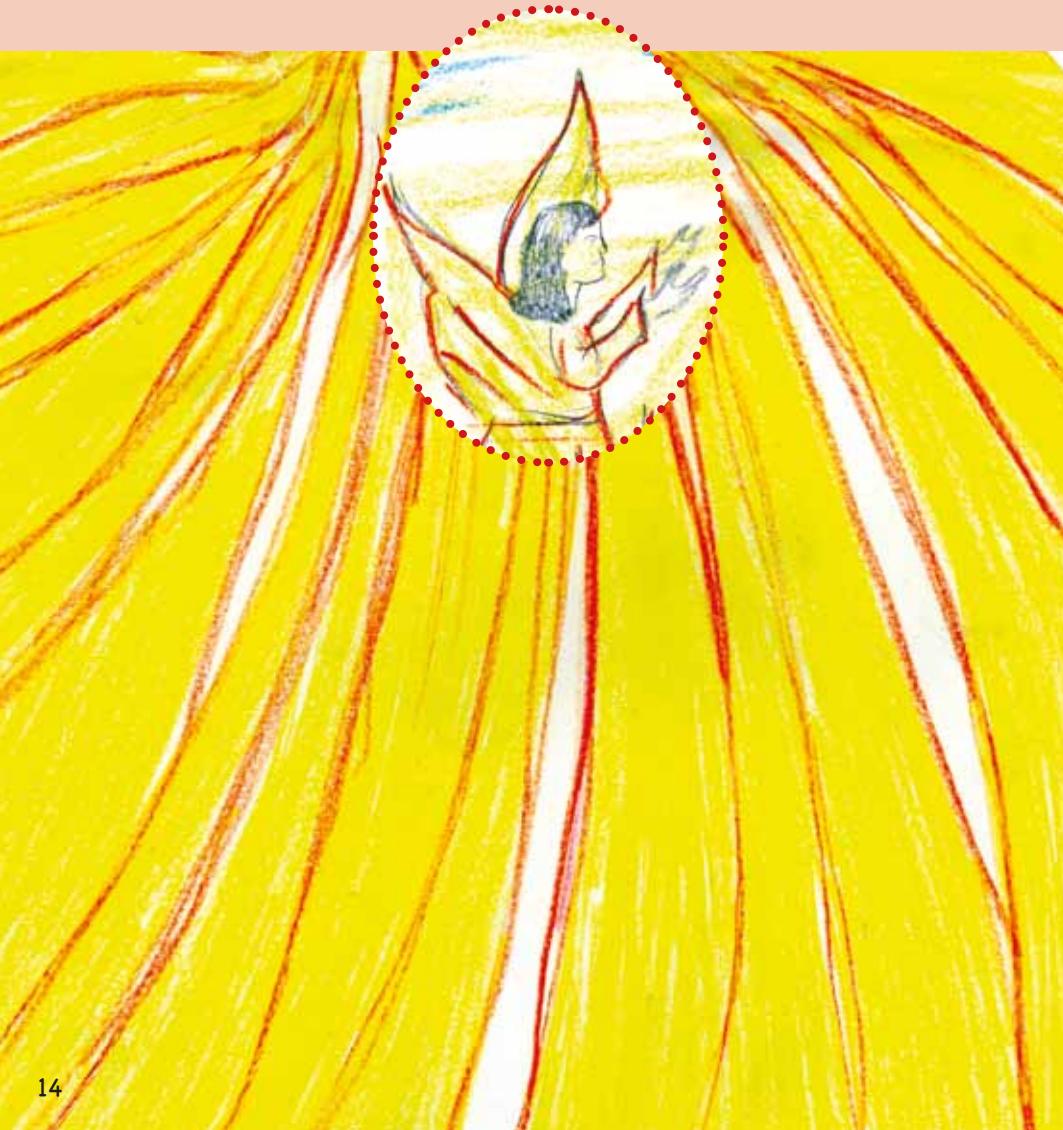

I can see shepherds.
I can see sheep.

I can hear the Creator God
saying to a good spirit,
'Go and tell the shepherds,
do not fear, I give good
news. The One to rescue
you forever and ever
and ever is here.'

I can see a big, big, big
bright light.

I can see the big, big, big
bright light is a good spirit.

I can hear the good spirit
saying to the shepherds,

'Do not fear, I give
good news.'

The One to rescue you
forever and ever and
ever is here.'

I can see one...two...three...
four...five...six...seven...

many, many, many good spirits
singing to the Creator God.

I can hear many, many,
many good spirits saying,
'Sing to the Creator God.

Peace to everyone who
sings to The One.'

I can see the many, many,
many good spirits going,
up...up...up...into the sky.

I can see the shepherds
singing to The One.

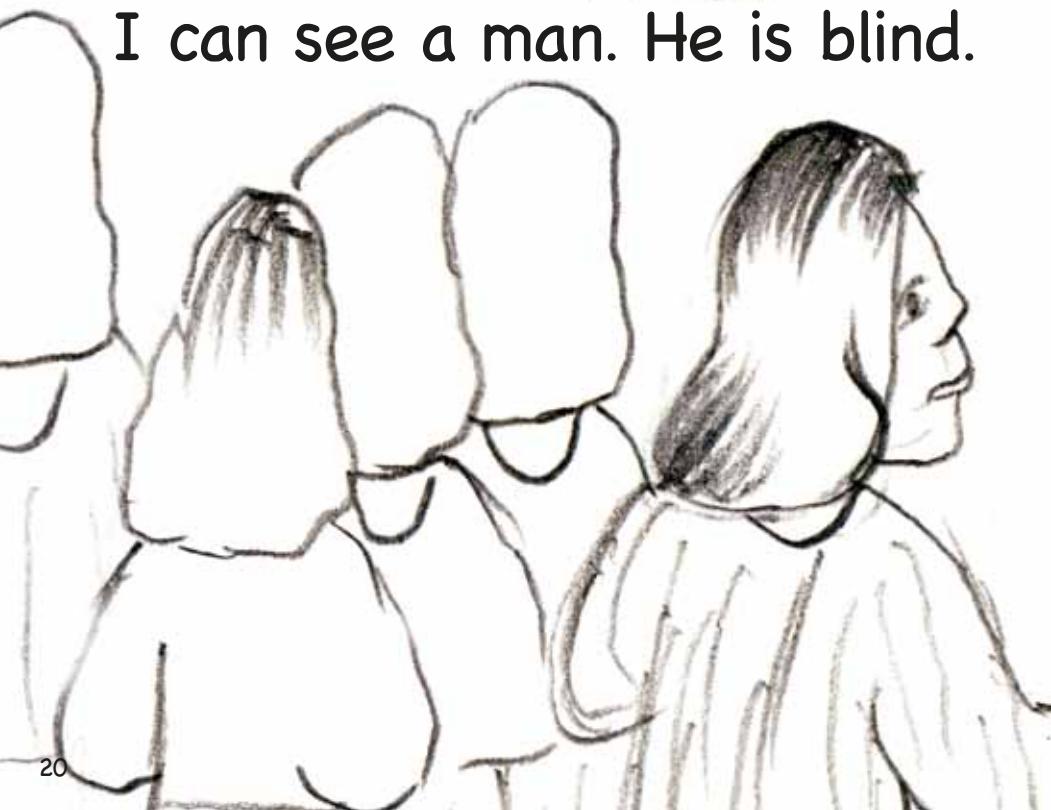

The Creator God has come
as a little baby boy,
to rescue you forever
and ever and ever.

The Creator God is here!

I Can See

Many years passed.
The One is now a man.
Today is market day.
I can see many people
in the town.
I can see a man. He is blind.

I can hear followers
of The One saying,
'Did this blind man
do a bad thing to be
born blind?'

I can hear The One saying
to His followers,

'No, he did not do a bad
thing to be born blind.

He was born blind so you
will see the power of the
Creator God.

I am The One to rescue you.'

I can see The One
touch the blind man.

The blind man can now see.

I can hear The One saying,
'I am the light of the world.'

I can hear a spiritual leader
saying to the blind man,
who can now see,

'Who do you say is the man
who touched you?'

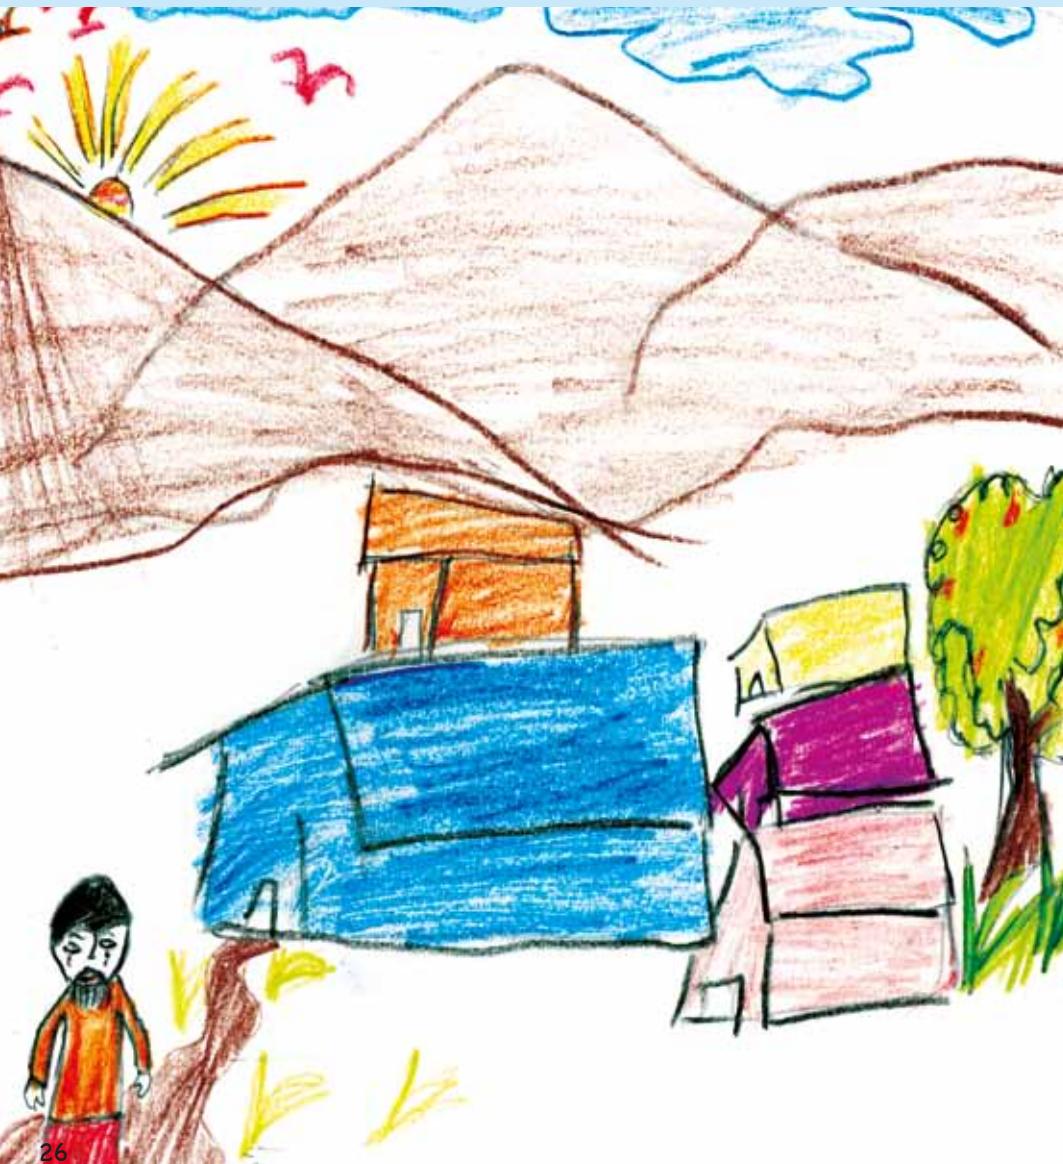

I can hear the blind man,
who can now see, saying,

'The man who touched me
is The One.'

The One to rescue you
forever and ever and ever
is here.'

I can see the spiritual leader
throw the blind man, who can
now see, out of the town.

I can hear The One
saying to the blind man,
who can now see,
'Who do you say I am?'

I can hear the blind man,
who can now see,
saying to The One,
'You are The One to rescue me
forever and ever and ever.
You are the light of the world.'

The One is the light
of the world.

Only The One has the
power to push back
the darkness.

The Creator God is here!

Giver of Peace

Another day, another time,
another place.

I can see a man.
His name is Simon.

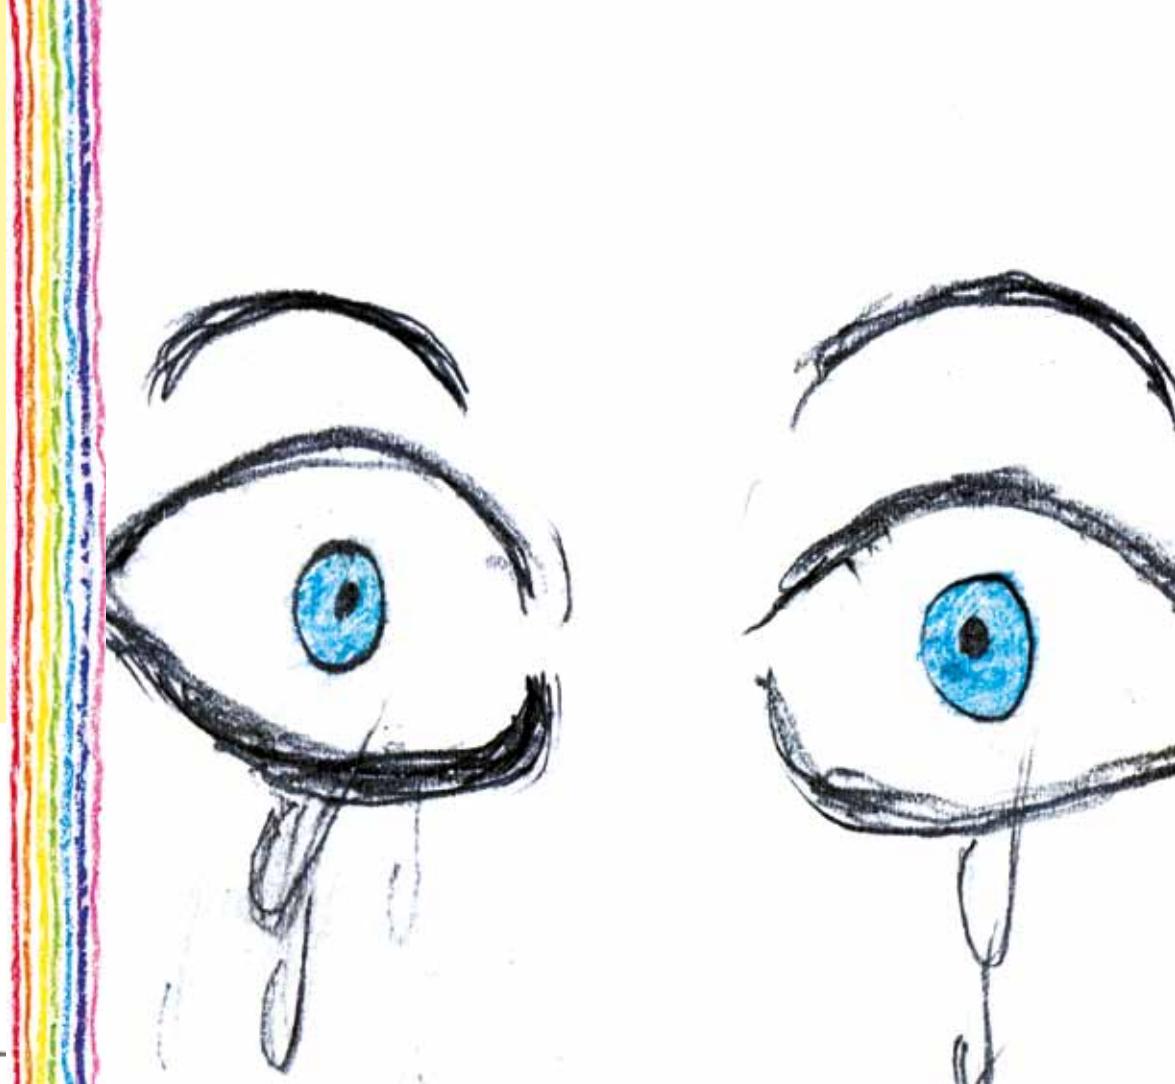

I can hear Simon saying
to The One,
'Please come to my house.'

I can see Simon and
The One inside the house
of Simon.

I can also see a woman
inside the house of Simon.

This woman has done
many bad things.

I can see this woman falling
down at the feet of The One.

I can see this woman
is crying.
Her tears are falling
on the feet of The One.

I can see this woman
cleaning the feet of
The One with her hair.

I can hear The One
saying to this woman,
'All the bad things
you have ever done,
I forgive you.
Go in peace.'

Only The One gives peace.

Only The One has the power
to push back the darkness.

The Creator God is here!
