# Fire from Heaven

Many, many, many  
years passed.

I can see people singing  
to other gods.

I can see a man.

His name is Elijah.

Elijah is singing  
to the Creator God.

I can hear Elijah saying  
to the people who sing  
to other gods,

'If your gods are the  
true God, let them bring  
down fire onto the altar.

If the Creator God is the  
true God, let Him bring  
down fire onto the altar.'

The battle begins...

I can see the people,  
who sing to other gods,  
building an altar.

I can see the people,  
who sing to other gods,  
putting a bull onto the altar.

I can see the people, who  
sing to other gods, singing,  
praying, dancing and jumping...  
up and down...up and down...  
up and down.

I can see the people,  
who sing to other gods,  
listening...listening...listening...

The other gods do not answer.

I can hear Elijah saying  
to the people who sing  
to other gods,  
'Pray louder, dance longer  
and jump higher.  
Maybe your gods  
are sleeping.'

I can see the people,  
who sing to other gods,  
praying louder, dancing  
longer and jumping higher...  
up and down...up and down...  
up and down.

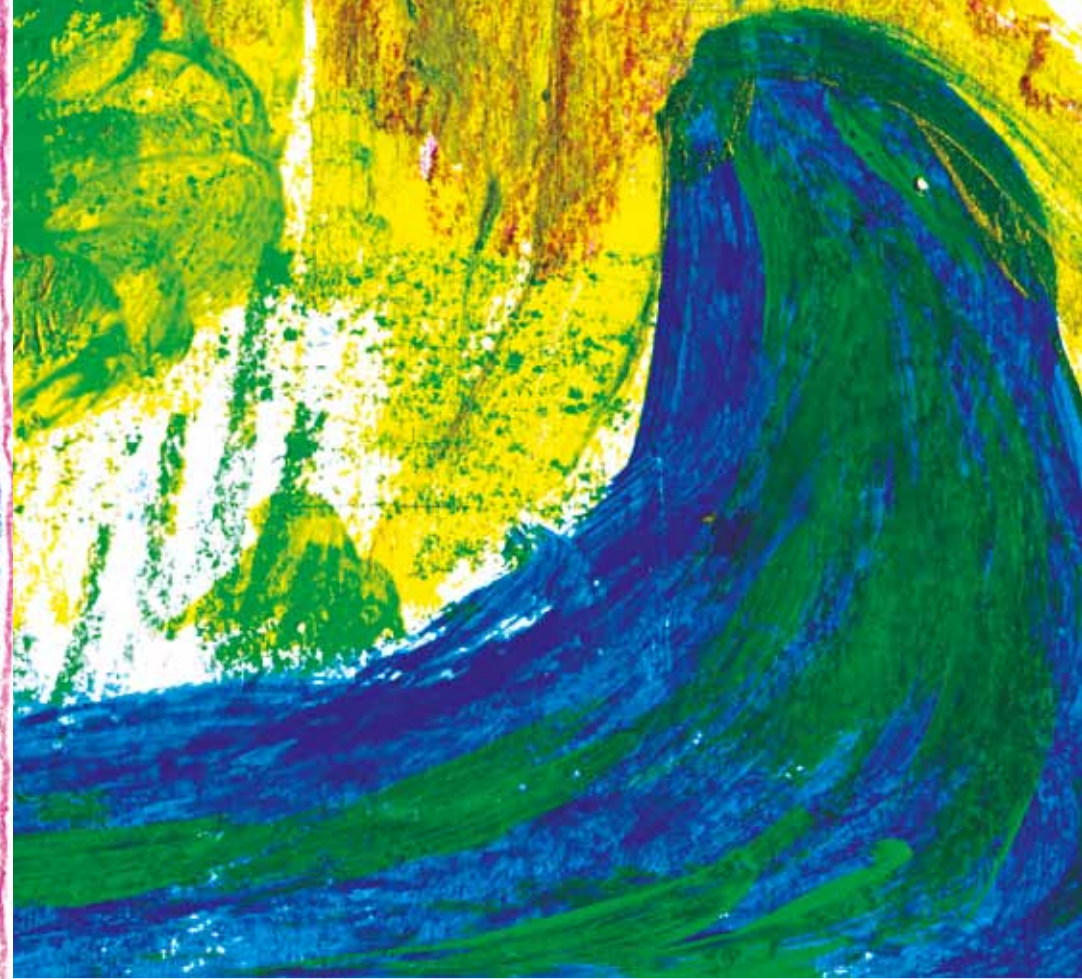

I can see the people,  
who sing to other gods,  
listening...listening...listening.  
The other gods  
do not answer.

I can see Elijah, who sings  
to the Creator God,  
building an altar.

I can see Elijah, who sings  
to the Creator God,  
putting a bull onto the altar.

I can see Elijah, who sings  
to the Creator God,  
pouring water around  
the altar, pouring...  
pouring...pouring.

I can hear Elijah saying  
to the Creator God,  
'Please answer me, so the  
people will sing only to you.'

Everyone is looking...  
waiting...watching...

Then it happened!

The Creator God sent down  
fire onto the altar!

I can see all the people  
singing to the Creator God.

I can hear all the people  
saying, 'The Creator God  
is the true God.'

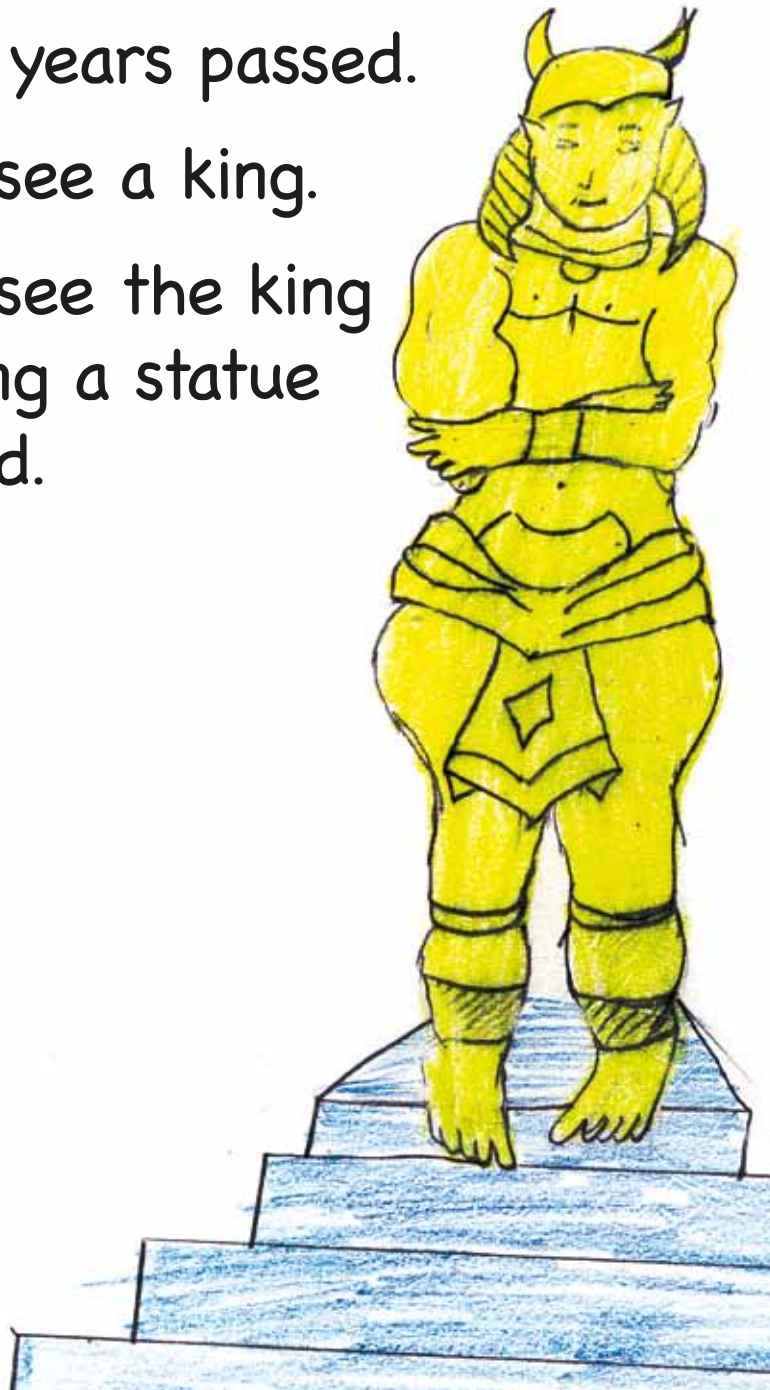

# Ring of Fire

Many years passed.

I can see a king.

I can see the king  
building a statue  
of gold.

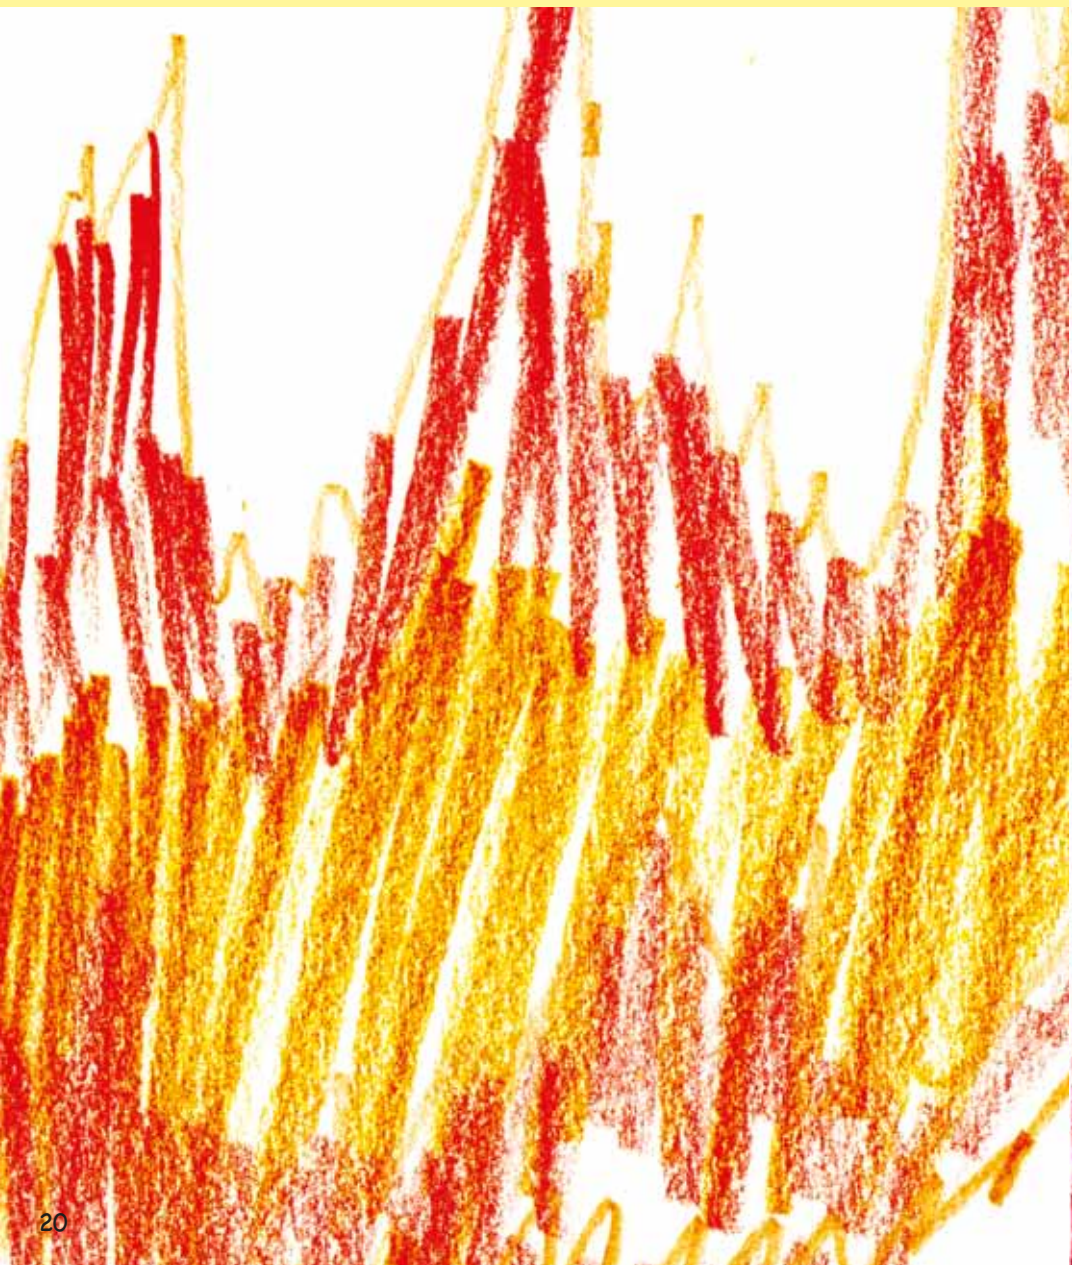

I can hear the king saying  
to the people,

'Sing to the statue of gold  
or I will throw you into  
the fire.'

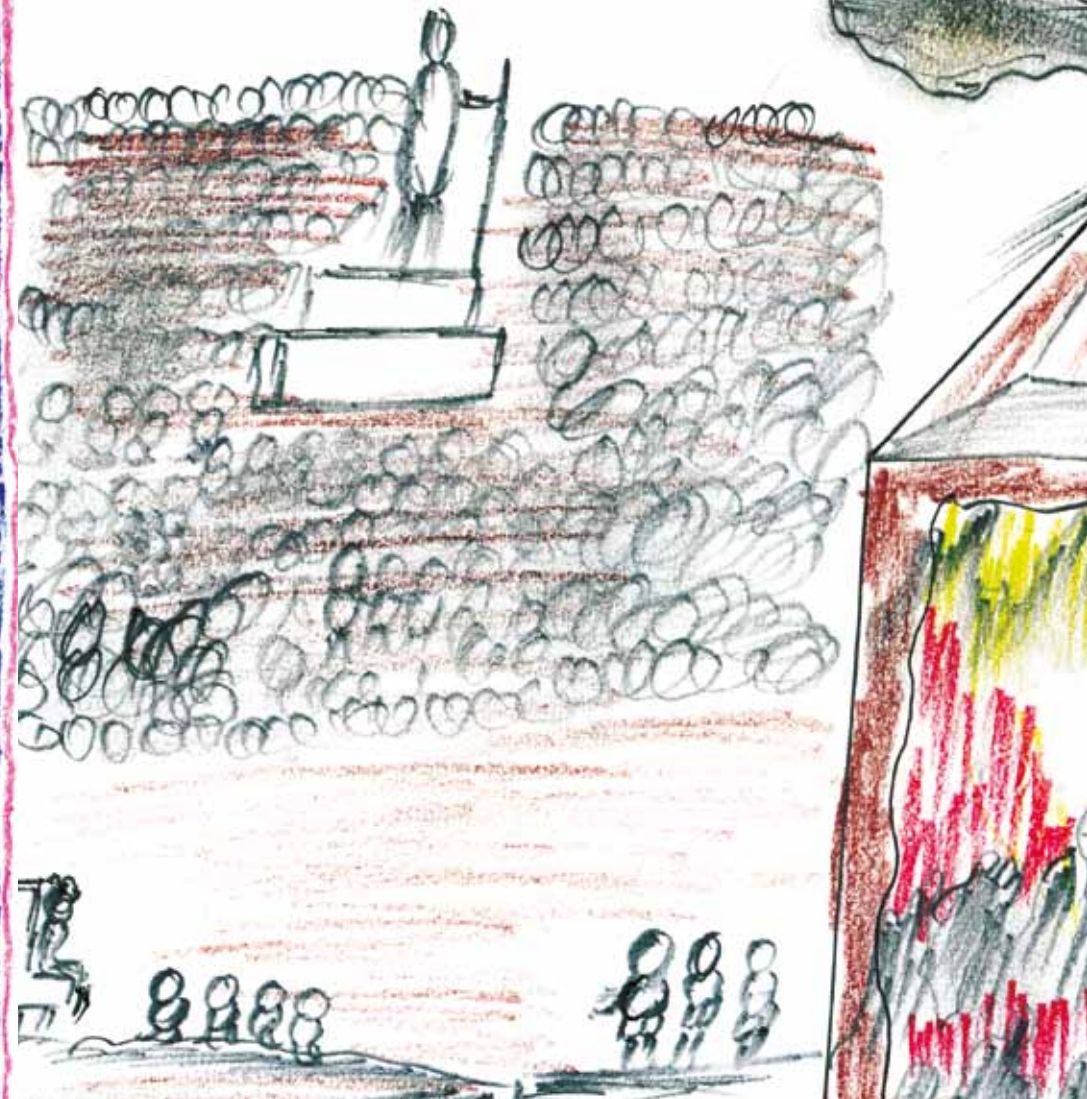

Look out, the fire is  
hot...hot...hot!

I can see three boys  
singing to the Creator God.  
I can hear the three boys  
saying, 'We will sing  
only to the Creator God.'

I can see the king is  
very, very, very angry.

I can hear the king saying,  
'Throw the three boys,  
who sing only to the  
Creator God, into the fire!'

Look out, the fire is  
hot...hot...hot!

I can see the three boys,  
who sing only to the  
Creator God, being thrown  
into the fire.

Look out, the fire is  
hot...hot...hot!

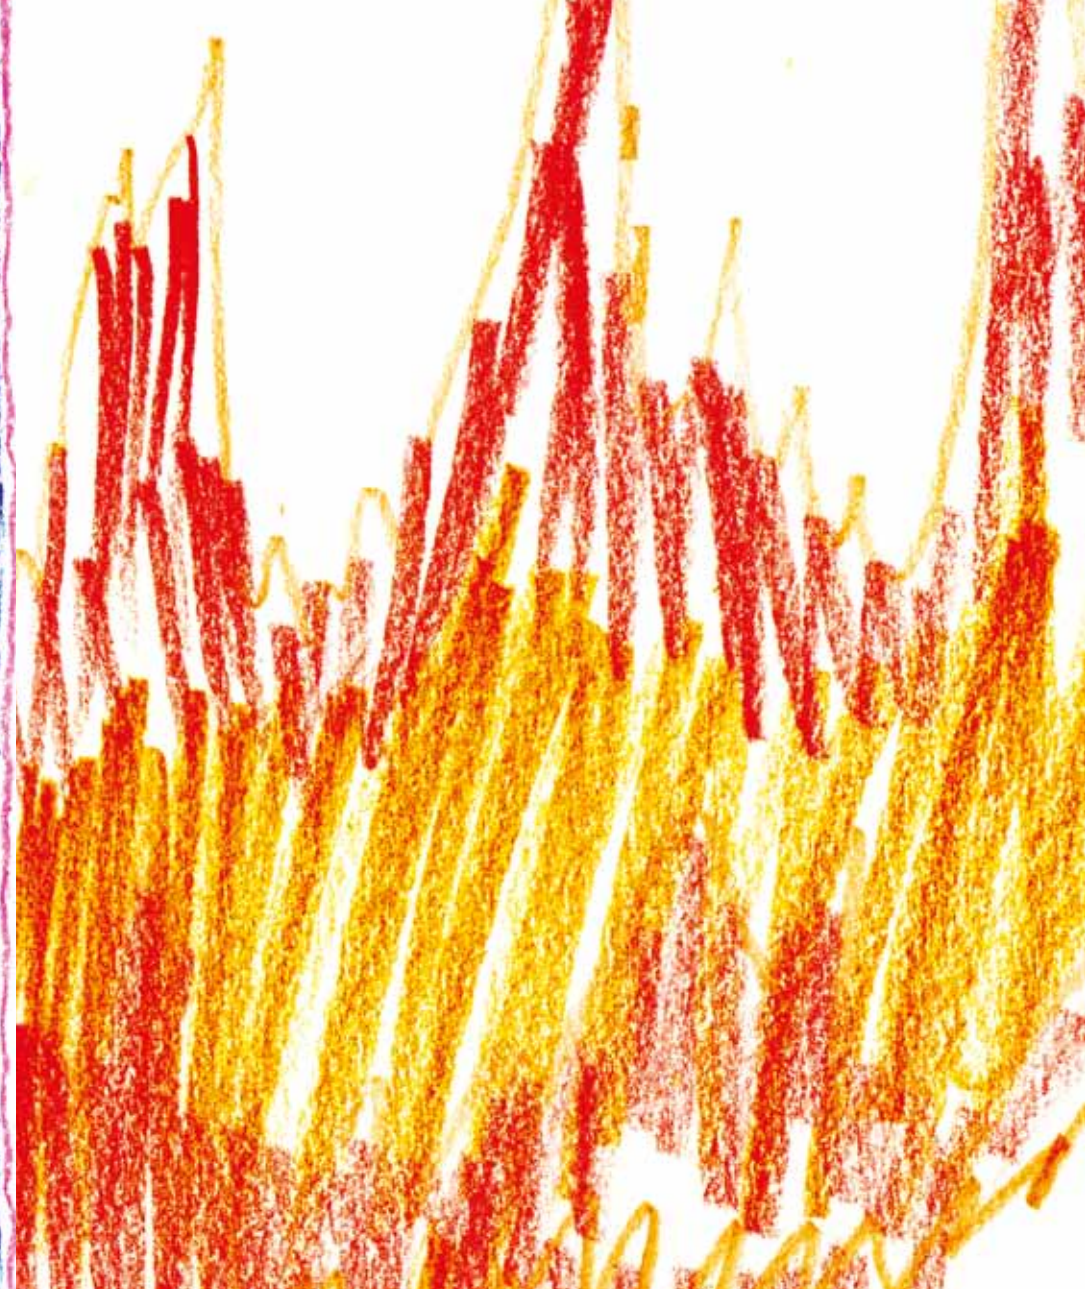

I can hear the king saying,  
'Look, the three boys  
are walking in the fire!

Now there are four people  
walking in the fire!

The three boys and one  
like the Creator God.'

I can hear the king saying  
to the three boys, who sing  
only to the Creator God,  
'Come out of the big fire!'

Look out, the fire is  
hot...hot...hot!

I can see the three boys  
coming out of the fire.

I can see the three boys  
are not hurt by the fire.

I can hear the king saying,  
'Sing to the Creator God.'

The Creator God rescued  
the three boys from  
the fire.'

No other god has  
the power to rescue.

The Creator God  
is the true God.

The Creator God is coming...
