The One Heals

Another day, another time,
another place.

I can see a little girl.

The little girl is
twelve years old.

The little girl is
very, very, very sick.

The little girl is going to die!

The little girl has a father.
His name is Jairus.

I can see Jairus
is going to town.

Hurry...hurry...hurry...
your little girl
is going to die!

I can see Jairus falling down
at the feet of The One.

I can hear Jairus saying
to The One,

'Please come to my house.
My little girl is going to die.

Touch her and she
will be made well.

Touch her and she will live.'

I can see The One and
Jairus walking to the
house of Jairus.

Wait little girl,
the Creator God is coming...

I can now see a woman.

She is very sick.

She is an outcast.

I can hear the woman,
who is very sick,
saying to herself,

'If I could touch The One,
I will be made well.'

Then it happened...

The woman, who is very sick,
touched The One!

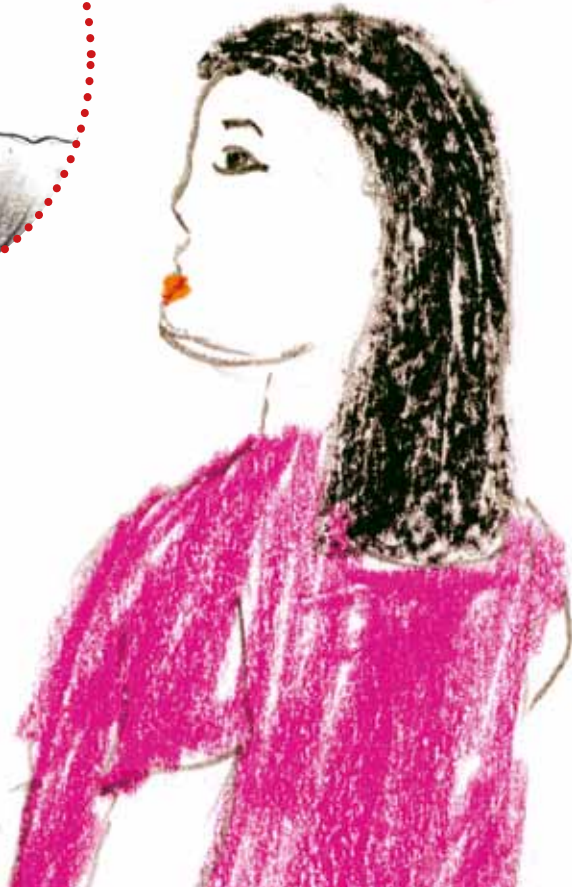

I can see The One stop walking.

I can hear The One saying,
'Who touched me?'

Many people are listening...
listening...listening...

I can hear the woman,
who is very sick, saying,
'With one touch from
The One, I am made well!'

Wait little girl, the
Creator God is coming...

Then it happened...

I can hear a man
saying to Jairus,
'Your little girl is dead.'

I can hear The One
saying to Jairus,

'Do not be sad,
I am The One.

Your little girl will live!'

I can see The One
and Jairus walking into
the house of Jairus.

I can hear The One saying
to the little girl, who is dead,
'Little girl, get up!'

I can see the little girl
getting up!

The little girl lives!

The One is life forever
and ever and ever.

Only The One has the
power to push back
the darkness.

The Creator God is here!

I am Free

Another day, another time,
another place.

I can see The One
and His followers
going across the river.

I can see pigs
standing by the river.

I can see there is a man.

The man has many
bad spirits in him.

I can hear The One saying
to the many bad spirits
in the man,

'Come out of this man and
go into the pigs standing
by the river.'

I can see the many bad spirits come out of this man and go into the pigs standing by the river.

I can see the pigs running into the river.

The pigs are dead.

I can hear the man singing to The One.

I can hear The One saying to the man,

'Go and tell all the people what the Creator God has done for you.'

I can hear the man
saying to all the people,
'The One told the bad spirits
to come out of me.
The bad spirits
did come out of me.
The One has made me free.'

The One is the
light of the world.
Only The One has
the power to push back
the darkness.
The Creator God is here!

The One Rescues

Time passed.

This night is dark...
it is very, very, very dark.

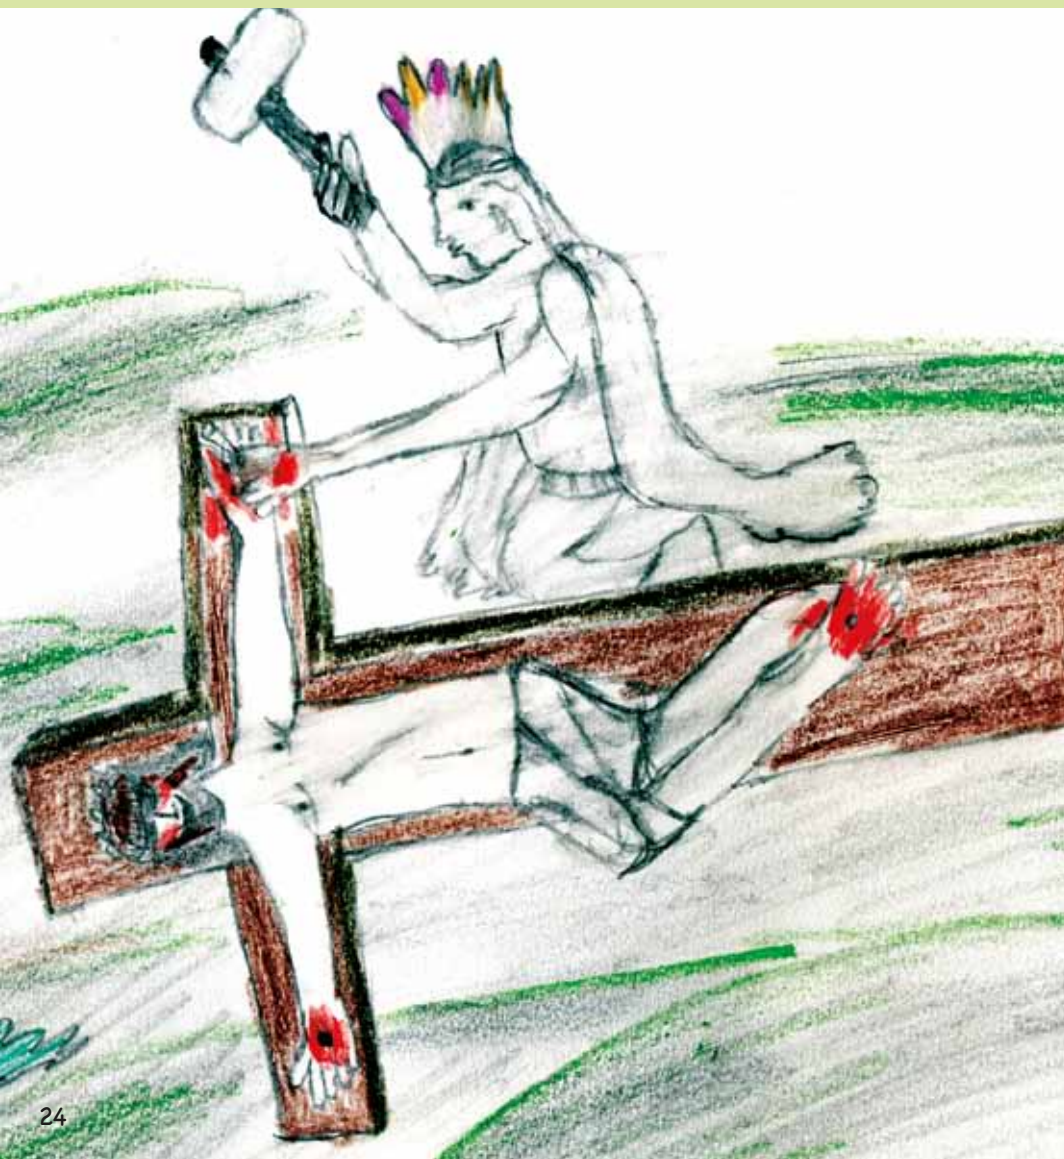

I can hear The One
saying to His followers,
'It is time for me to give
my life as a blood sacrifice,
for all the bad things
you have done.

I will take your punishment.
I will push back the darkness.

I will rescue you forever
and ever and ever.'

Time passed.

I can see soldiers nailing
The One to a cross.

I can see the blood of
The One falling...falling...
falling...down to the ground.

I can see The One
hanging on a cross.

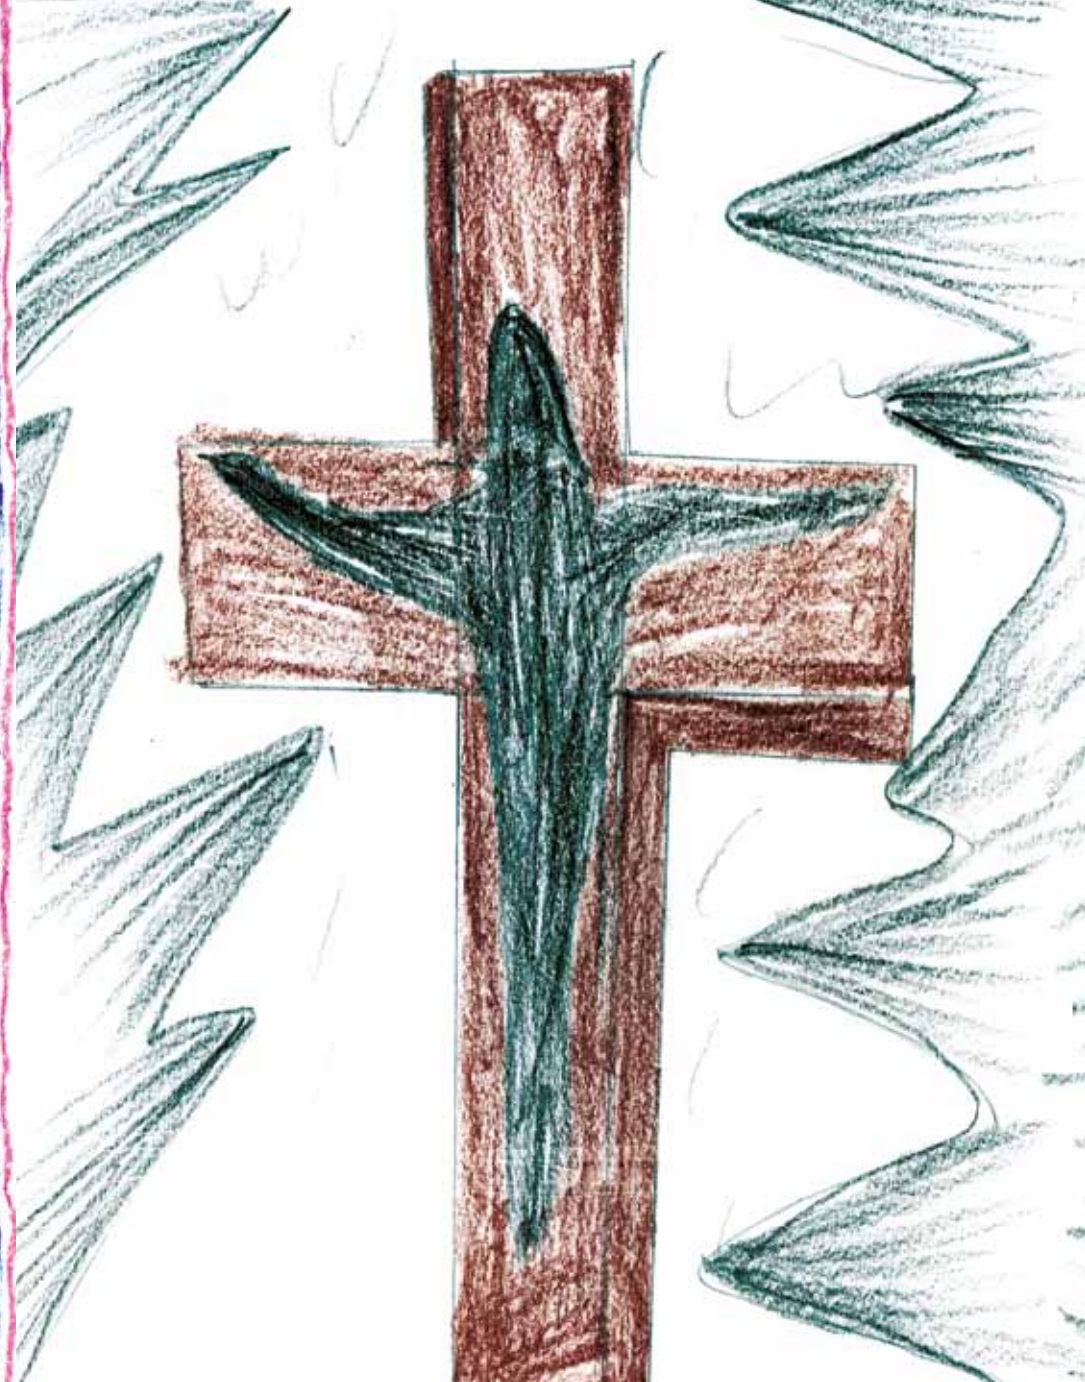

I can hear The One saying,

'I still love you.

I will rescue you.

You will find me. I forgive you.

I give you my life.'

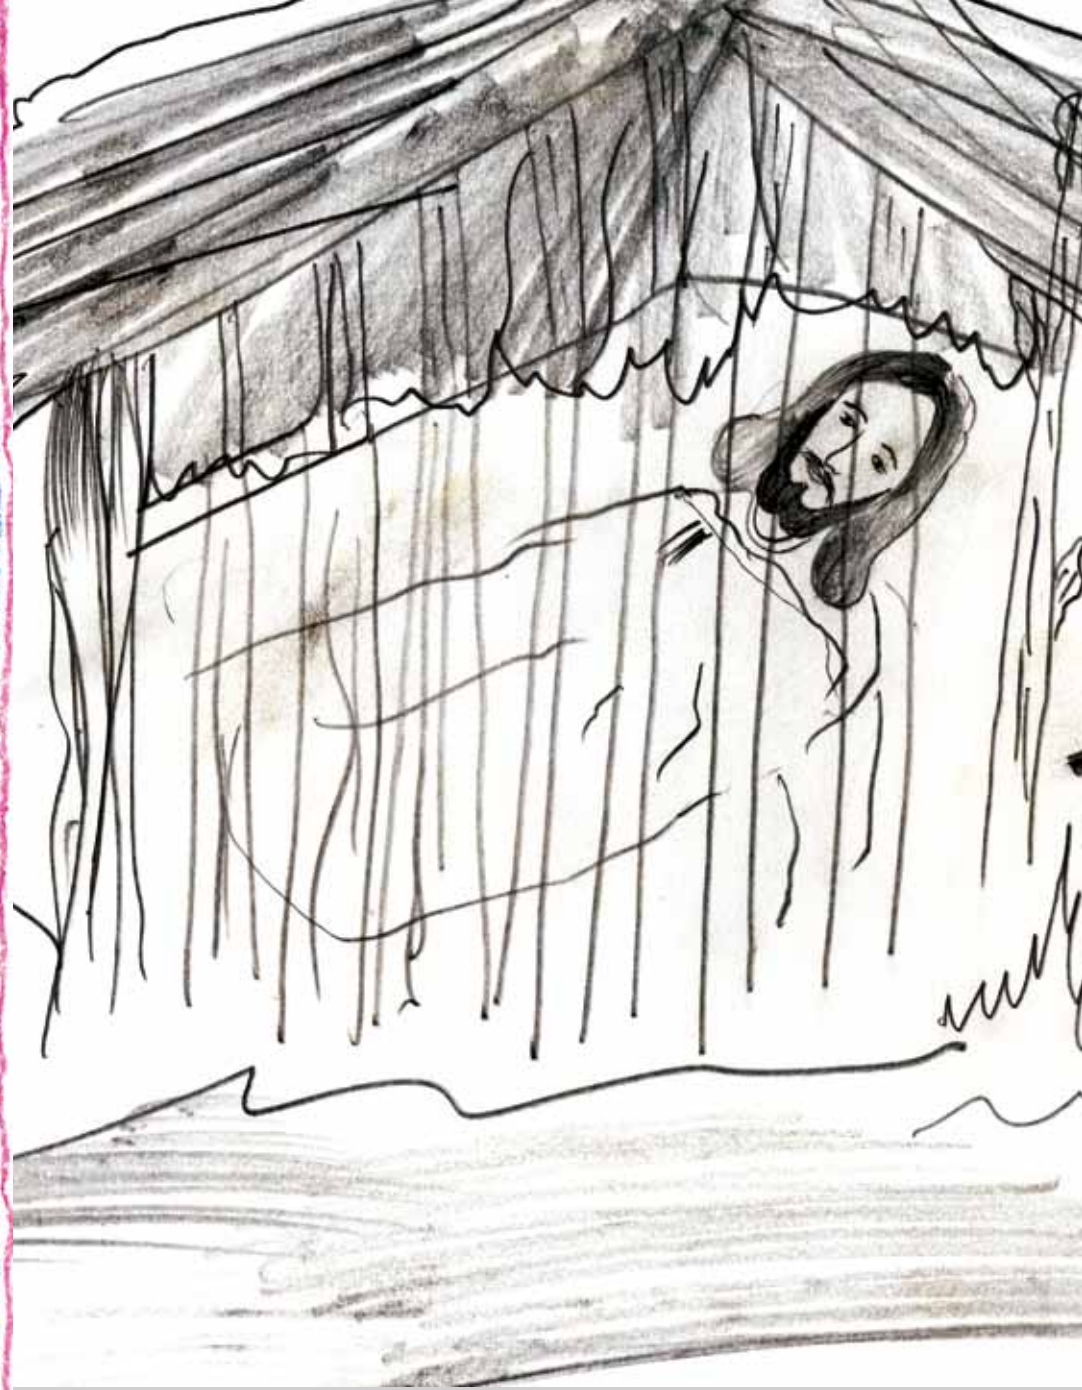

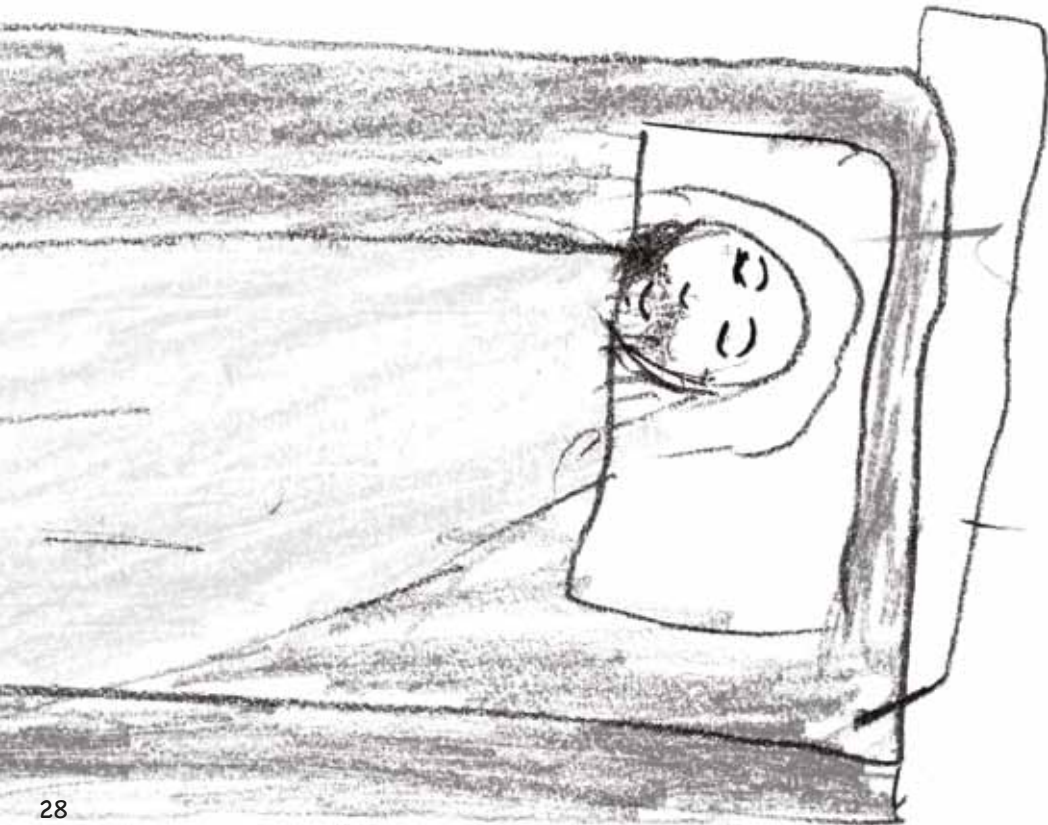

I can see The One is dead.

This day is dark...
it is very, very, very dark.

I can see followers of The One
taking His dead body to a tomb.

The One is buried.

Time passed.

I can see the tomb
of The One is empty!

Where is the body of The One?

I can hear a good spirit
saying to the followers
of The One,

'The One lives forever
and ever and ever!'

I can see The One. He lives!

I can hear The One
saying to His followers,
'Go tell all tribes, all people
everywhere, the good news!
I love you. I died, yet I live,
to rescue you forever
and ever and ever.'

I can see The One going...
up...up...up...into the sky.

The One Lives

Many years passed.

I can see a man.

His name is John.

I can hear John saying,

'I can see The One up in the sky.

His eyes are like fire!'

I can see The One is
coming on a white horse.

His name is the Word of God.

I can see on the robe
of The One the words,

KING OF KINGS and
LORD OF LORDS!

I can see all tribes of people
singing to The One.

I can see all spirits
singing to The One.

I can see everything
singing to the One.

I can hear the
Creator God saying,
'My people are rescued
forever and ever and ever.
No death. No tears.
No sadness. No pain.
I have made everything new.'

I can hear The One saying,
'Look I am coming back soon.
I am the eternal one.
I am Jesus. I love you.
I have rescued you forever
and ever and ever.
I am The One.'
