Behind the Meaning Part 1

Welcome to the Kingdom of God Interpreting Scripture short course!

We're so excited to be here with you and to journey together through God's love story, the Bible. It is His love story to us, where He reveals who He is, what He has done and promises to do.

As God is a relational God and we are relational people, a lot of the bible is a record of God's journey with individuals and people groups. Through these relationships God revealed Himself to the first hearers and also to us today.

In order for us to be correctly guided and to really understand God's character and His truth from the Bible, we all need to be able to apply God's intended meaning to each scripture that we read.

Father in heaven, we pray that you open our eyes to see into your heart and open our ears to hear your whispers of love. May we receive a greater understanding of your intended meaning of the scriptures and live in the fullness of your love, truth and power. In Jesus' name, amen.

What is the second key area that affects how we understand God's intended meaning of scripture?

For example, in **Psalms 109:1-19** the writer declares a curse over his enemies. If we don't understand that the psalms are poetry where the psalmist expresses to God how he feels, we could incorrectly assume that God wants us to curse our enemies as well.

Using the tools from this course will also help us understand the culture of the time of writing and ultimately discover God's intended meaning.

What is the fourth key area that affects how we understand God's intended meaning of scripture?

What two questions do we ask to discover the reason for writing?

- 1.
- 2.

Referring to the above illustrations, how does the meaning of the original object on the left change when viewing the whole image on the right?

What is the will of the Father, according to **John 6:40**?

Therefore, **who** are the ones who do the will of the Father? Read **John 6:40**

According to the conversation in **John 6:36-40**, Jesus explains that the will of the Father is that everyone who comes to Him and believes in Him, that is receives His right to rule and reign, will have everlasting life. Therefore, those who do the will of the Father are those who receive Jesus the Son.

Back to **Matthew 7:15-23**, Jesus was not only exposing the deceptions of the false prophets, but He was also revealing that only those who receive Him shall enter into His kingdom. As a result, receive everlasting life. Conversely, as Jesus stated in **Matthew 7:23**, those who knowingly reject Him and His right to rule and reign are those who practice lawlessness and have no part in His kingdom.

In **Matthew 7:16-20** Jesus states that false prophets will be known by their fruit. He explains that every good tree bears good fruit and every bad tree bears bad fruit. That is, those who have aligned themselves with evil will bear the fruit of the evil one. Whereas those who have aligned themselves with God and only good will bear the fruit of His Spirit.

It is a daily journey of surrendering our selfish desires of power and control to the Father's will, removing all blockages from receiving more of His character (**Galatians 5:22-23**).

However, disciples of Jesus who are trapped in their selfish desires and are not bearing the fruit of His Spirit are not false prophets. Also, disciples of Jesus who in ignorance are teaching false doctrine are not false prophets. As Jesus stated, false prophets are those who have given their allegiance to evil, but are masquerading as disciples of Jesus. All with the attempt to deceive and devour Jesus' disciples.
